Agreement No.: FA-2026-0041

This Facility Agreement (the "Agreement") is entered into as of the date first written above between:

- (1) the company identified in Schedule 1 as the borrower (the "Borrower"); and
- (2) the financial institution identified in Schedule 1 as the lender (the "Lender").

The Borrower and the Lender are each a "Party" and together the "Parties".

1. THE FACILITY

1.1 Subject to the terms of this Agreement, the Lender makes available to the Borrower a revolving credit facility in a maximum aggregate principal amount equal to the Commitment set out in Schedule 1 (the "Commitment").

1.2 The Borrower may draw, repay and re-borrow during the Availability Period, provided that the aggregate outstanding principal does not exceed the Commitment and no Event of Default is continuing.

1.3 Interest accrues on each drawn amount at the rate set out in Schedule 1, payable monthly in arrears on the last Business Day of each month.

1.4 The Facility matures on the Termination Date set out in Schedule 1, at which time all outstanding amounts become immediately due and payable.

2. PURPOSE

2.1 The Borrower shall apply all amounts borrowed under the Facility towards working capital and general corporate purposes of the Borrower, and not towards any purpose prohibited by applicable law or this Agreement.

3. CONDITIONS PRECEDENT

3.1 The Lender is not obliged to make the first utilisation available unless it has received, in form and substance satisfactory to it:

- (a) a copy of this Agreement duly executed by the Borrower;
- (b) evidence of the Borrower's corporate authority to enter into this Agreement;
- (c) the most recent monthly financial statements of the Borrower; and
- (d) confirmation that no Default is continuing.

4. FINANCIAL COVENANTS

4.1 The Borrower undertakes to the Lender that, for so long as any amount is outstanding under this Agreement, it shall comply with each of the following financial covenants. Compliance shall be tested monthly on the last Business Day of each calendar month by reference to the Borrower's monthly management accounts for that period.

4.2 Without limiting Clause 4.1, the Borrower shall:

- (a) ensure that its debt service coverage ratio is not less than 1.25 times;
- (b) ensure that its current ratio is at all times at least 1.20 times;
- (c) ensure that its total debt does not at any time exceed USD 750,000;
- (d) maintain a cash balance of not less than USD 50,000 at the end of each month;
- (e) ensure that its leverage ratio does not exceed 8.0 times; and
- (f) ensure that monthly revenue is not less than USD 300,000.

4.3 If the Borrower anticipates that any of the covenants in Clause 4.2 may not be met on the next testing date, it shall notify the Lender promptly and in any event no later than five (5) Business Days before that date.

5. INFORMATION UNDERTAKINGS

5.1 The Borrower shall deliver to the Lender, within fifteen (15) Business Days after the end of each calendar month:

- (a) a balance sheet and income statement for that month; and
- (b) a compliance certificate signed by an authorised officer, confirming whether each covenant in Clause 4.2 has been met.

5.2 The Borrower shall promptly notify the Lender of any Default, and of any material adverse change in its business, assets or financial condition.

5.3 Upon reasonable notice, the Borrower shall permit the Lender (or its advisors) to inspect its books and records during normal business hours.

6.2 The Borrower shall not, without the prior written consent of the Lender:

- (a) declare or pay any dividend while a Default is continuing;
- (b) incur additional Financial Indebtedness except for Permitted Indebtedness; or
- (c) dispose of all or substantially all of its assets.

7. REPRESENTATIONS

- (a) it is duly incorporated and validly existing under the laws of its jurisdiction;
- (b) it has the power to enter into and perform this Agreement;
- (c) this Agreement constitutes its legal, valid and binding obligations;
- (d) the financial statements most recently delivered fairly present its financial condition; and
- (e) no Default is continuing or would result from the proposed utilisation.

8. EVENTS OF DEFAULT

8.1 Each of the following is an Event of Default:

- (a) Non-payment: the Borrower fails to pay any amount due under this Agreement when due, and such failure continues for three (3) Business Days;
- (b) Financial covenants: any requirement of Clause 4 is not satisfied on a testing date and remains unremedied (if capable of remedy) for ten (10) Business Days;
- (c) Other obligations: the Borrower fails to comply with any other material term of this Agreement and, if capable of remedy, fails to remedy within fifteen (15) Business Days of notice from the Lender;
- (d) Misrepresentation: any representation in Clause 7 is incorrect in any material respect when made or deemed repeated;
- (e) Insolvency: the Borrower becomes insolvent, suspends payments, or any insolvency proceeding is commenced in respect of it; or
- (f) Cross-default: any other Financial Indebtedness of the Borrower is accelerated or becomes capable of being accelerated as a result of default.

8.2 On and at any time after an Event of Default is continuing, the Lender may by notice to the Borrower: cancel the Commitment; declare all or part of the outstanding amounts immediately due and payable; and/or exercise any other rights available under this Agreement or at law.

9. MISCELLANEOUS

9.1 Notices under this Agreement shall be in writing and delivered to the addresses set out in Schedule 1 (or any replacement address notified in writing).

9.2 No amendment of this Agreement is effective unless in writing and signed by each Party.

9.4 This Agreement constitutes the entire agreement between the Parties in relation to the Facility and supersedes all prior discussions relating to it.

9.5 If any provision is held invalid or unenforceable, the remaining provisions continue in full force and effect.

9.6 This Agreement may be executed in counterparts, each of which is an original and all of which together form one instrument.
